

WORK'S MENTAL Conference

Energising Mental Health at Work

Peter Kelly

***Senior Psychologist,
The Health and Safety
Executive
Practitioner Chair,
European Academy of
Occupational Health
Psychology***

Peter Kelly works for the Health and Safety Executive. He is employed as a Senior Psychologist, and is a technical expert on mental health and wellbeing and prevention of work related stress.

Peter has been part of the small team of psychologists involved from the beginning in developing the scientific knowledge base for the management standards approach to tackling work related stress in Great Britain, and is a co-author on a number of papers published on the management standards, health and wellbeing.

He has sat as a co-opted expert on National Institute of Clinical Excellence Review of Mental Health Promotion within the Workplace and on the Department for Health's United Kingdom SHIFT Expert review panel on workplace mental health guidance.

Peter is Practitioner Chair of European Academy of Occupational Health Psychology. He has been involved in working across the EU on a number of initiatives in relation to psychosocial risk and prevention.
